We dedicate our **4th Annual Tournament of Dreams** to the memory of **Jean Loeffelhardt**, a champion for children and families.

INTRODUCTION

AISLING DISCOVERIES CHILD AND FAMILY CENTRE IS PROUD TO PRESENT OUR FOURTH ANNUAL *TOURNAMENT OF DREAMS*

This year we are teeing off for a fun-filled day on Monday, September 19th, 2011 at the top-ranked course, *Coppinwood*. We are thrilled that *Coppinwood* has graciously opened its facilities a second time to accommodate this wonderful fundraising event.

We are delighted to have Yannick Bisson, star of CityTV's *The Murdoch Mysteries*, return to host our event. Yannick continues to be CIBC's spokesperson and has also become an advocate for children's mental health. He'll be challenging you to a great game of golf!

This year's *Tournament of Dreams* is dedicated to the memory of our friend and supporter, Jean Loeffelhardt. The world has lost a champion for children with special needs. Jean provided Aisling Discoveries with speech and language assessments and consultations for the last 19 years. She made many significant contributions to our organization, most notably in our day treatment and autism programs. Jean generously supported and participated in many of our fundraising endeavors and played golf at all of our tournaments. We will miss her!

Joining us as M.C. will be well known broadcaster and advocate for children, Ted Woloshyn.

Put your golf skills to the test for a chance to win TaylorMade products! Try out their clubs at our golf clinic!

WHY SUPPORT THIS EVENT?

Aisling Discoveries Child and Family Centre is committed to providing children and their families with responsive prevention, early intervention and treatment services. We offer many programs that help children and families deal with behaviour issues, school problems, child abuse, autism, speech and language delays, and family disruption.

In addition to our outstanding children's mental health programs, we provide services that promote the healthy development of children living in high priority neighbourhoods in our community. We work in homeless shelters, community centres, child care centres and schools – reaching out to families, many who are newcomers to Canada.

Our skilled staff of 185 professionals provide services to over 3,000 children and their families each year in our clinical services as well as to over 6,000 other individuals who attend our workshops and parenting groups.

PROCEEDS WILL BE USED

COPPINWOOD

We are offering an incredible opportunity to play at a top-ranked private golf course that is rarely opened to tournaments. Coppinwood is a club dedicated to a single goal: to provide the best possible golf experience, no matter what one's level of skill might be. This is one of the finest golf courses you'll ever see, designed by the world's leading architect, playable by everybody. The practice facility is second to none.

It is one of only a handful of clubs in North America with so clear a focus on golf. A club built by golfers – a place to pursue your love of the game in harmonious surroundings where the challenges of the golf course blend with the beauties of the Ontario landscape. The course is maintained in superb condition, and the services are what you would expect of a first-class private club. The elegant yet understated clubhouse offers a level of comfort that is enhanced by its spectacular views of the golf course and the Toronto skyline.

“YOU’LL REMEMBER
EVERY HOLE AFTER
YOU HAVE PLAYED
COPPINWOOD,” SAYS
COURSE ARCHITECT,
TOM FAZIO

*TOURNAMENT OF DREAMS
WISHES TO THANK
COPPINWOOD FOR ITS
GENEROUS SUPPORT
AND ASSISTANCE IN
MAKING THIS DAY POSSIBLE.*

“YOU’LL REMEMBER every hole after you have played Coppinwood,” says Tom Fazio, architect of this and more than 125 courses that have won countless awards, including an unprecedented one-year sweep of Best New Public, Private, and Resort Course in Golf Digest’s rankings. “You have big spaces, elevation changes and tree cover. Then the client tells us to build the best course we can. How good is that?”

COPPINWOOD is a golfer’s paradise located on 357 acres of rolling terrain with stunning elevation changes, in the midst of quiet farm country, 30 minutes northeast of Toronto. The par 72 layout provides golfers of all skill levels with an exceptional golfing experience. Superbly manicured bent grass fairways are framed by blue grass rough and fescue grasses.

Subtly contoured greens are inviting and reward well hit shots. Bunkers are minimalist, dramatic, and remarkably consistent in their playability. The par threes are as unique as they are picturesque. This is Fazio at his finest – a dramatic, modern classic, playable for novice and serious golfers alike, sure to surprise.
