

# Toronto Autism ABA Services

## Toronto Autism ABA Services Will:

- Assist children and youth with a confirmed Autism Spectrum Disorder (ASD) to build skills in the areas of
  - communication,
  - behaviour management/ emotional regulation,
  - social/interpersonal and
  - daily living.
- Provide education to parents and caregivers in a group setting

## Eligibility Criteria:

- Children and youth up to their 18th birthday
- Must have a confirmed Autism Spectrum diagnosis including Autism/Autistic Disorder, Pervasive Developmental Disorder-Not Specified (PDD-NOS), and Asperger's Disorder
- Must be living in the Toronto Region
- Children and youth currently receiving or waiting for funded IBI Services are also eligible if deemed appropriate
- Not concurrently receiving any other ABA based services through this initiative

## How To Apply:

- If you live in the Toronto Region contact Surrey Place Centre at 416-925-5141 and ask to speak to the Toronto Autism ABA Services Registration
- Parents and caregivers can call directly, and/or a professional (such as a Family Physician, Psychiatrist, Developmental Paediatrician, Psychologist, Psychological Associate, Speech-Language Pathologist, Occupational Therapist, Social Worker or Nurse) may assist families to make a referral

Surrey Place Centre, Kerry's Place Autism Services, Adventure Place, Aisling Discoveries Child and Family Centre and The Etobicoke Children's Centre, will be delivering this new service for the Toronto region. This group of agencies will provide skill building programs based on the principles of Applied Behaviour Analysis (ABA) for children and youth with a confirmed ASD diagnosis.
